

***What if you could contribute - at no cost to you - to our future church home with your online shopping...
With AmazonSmile you are able to do just that!***

It's simple and here's how:

1. Log in to your Amazon.com account, then enter smile.amazon.com in your web browser on your computer or mobile device. You can also search for Amazon Smile in your search bar.
2. On your first visit to AmazonSmile (smile.amazon.com) you will need to select a charitable organization.
3. Type "Archangel Michael Greek Orthodox Church" in the search bar (where it states to pick your own charitable organization).
4. Click on 'select' next to Archangel Michael Greek Orthodox Church - Colorado Springs.
5. If successful, you will see that you are supporting Archangel Michael Greek Orthodox Church (on the top left hand side of your screen).
6. Amazon will remember your charity selection and then every eligible purchase you make at smile.amazon.com will result in a donation of 0.5% to AMGOC.
7. Be sure to return to smile.amazon.com each time you make an Amazon purchase otherwise your browser may default to regular Amazon.com and your purchases will not result in a credit.
